

The front view of the device shows a grey metal chassis. There are four black knobs arranged in a 2x2 grid. Each knob is positioned next to a yellow circular label with black text. The labels are located at the top-left, top-right, bottom-left, and bottom-right corners of the central panel. The top-left label reads "100", the top-right label reads "100", the bottom-left label reads "100", and the bottom-right label reads "100". The device has a flat top surface with two small circular indentations. The front panel is slightly recessed, and the overall design is industrial and functional.
